Vestas Official Disclosure Report

Prepared by Vestas Estonia OÜ – Project Oversight, Legal Framework & Brand Use

This document consolidates all official disclosures regarding the Vestas Romania micro-investment project, operated and supervised by Vestas Estonia OÜ (Reg. nr. 16522545, Tallinn, Estonia). It addresses transparency concerns, brand use clarifications, and regulatory context to ensure full compliance with EU standards and investor confidence.

1. Official Confirmation by Vestas Estonia

Vestas Estonia OÜ has issued a formal press release confirming the launch and management of the Vestas Romania project. The initiative is supervised by Vestas Estonia and aligned with the Vestas EU regional network. A digital copy of this press release is hosted on our website, under the 'News' section, and is accessible via public platforms like Medium and Issuu.

2. Official Contact Address

All communications regarding the Vestas Romania project are handled through the dedicated email address: contact@vestasromania.com. This channel is managed exclusively by the Vestas Romania project team under the supervision of Vestas Estonia OÜ.

3. Regulatory Framework & ASF Disclaimer

Vestas Romania operates under the jurisdiction of Estonia and EU directives. It is not classified as a financial institution, IFN, or investment fund under Romanian ASF regulations. All micro-investments are structured as digital usufruct contracts, and comprehensive documentation is published online.

4. Brand Use Statement

Vestas Romania is a project administered by Vestas Estonia OÜ. The use of the 'Vestas' brand name in this context is authorized by Vestas Estonia as part of a localized EU initiative. A 'Brand Use Statement' PDF is available on the site for download.

5. Web & Corporate Notice

A corporate-style disclosure ('Web Notice') has been created, outlining Vestas Estonia's endorsement of this project. It is featured on our official 'Documents' page, providing clear and transparent project legitimacy.

6. Social Media Confirmation

Official project updates are published exclusively on the dedicated channels: YouTube – Vestas Estonia Official, LinkedIn – Vestas Estonia Official. These serve as the primary communication platforms for EU regional initiatives.

7. Standardized Response to Public Inquiries

The official project response statement: 'Vestas Romania is developed and managed by Vestas Estonia OÜ as part of a broader Vestas EU initiative aligned with the European Union's green energy objectives.' This statement is provided to all partners, investors, and regulatory bodies on request.

For more information and access to all official documents, visit www.vestasromania.com or contact the project team at contact@vestasromania.com. All disclosures are subject to EU compliance standards and verified by Vestas Estonia OÜ.
